

VETERINARY HEALTH ATTESTATION FOR
PROCESSED PRODUCTS

Lesotho Permit Number.....

I, _____, the undersigned veterinarian/official authorized by the
Director of Veterinary Services in South Africa attest to the following;

6. That the processed products/cold meats are of South African origin;
7. The establishment from which the processed products originate is regularly inspected by
veterinary public health officials in the country of origin;
8. The processed products/cold meat must be transported in containers, which are made in such a
way as to prevent contamination of the products by disease causing agents;
9. The processed products/cold meat were loaded and sealed by authorized officials and the seal
number must be indicated on the international veterinary certificate;

Seal No.....

Vehicle No.....

10. The exporter/importer has been informed that on arrival at the point of destination the
nearest government veterinary officer must be informed so that he or she inspects the
consignment before the products are disposed in anyway;
11. This permit is valid for 30 days from the date of issue and only for one consignment and
quantity indicated overleaf.
